House Saint-Laurent-du-Var

Saint Laurent du Var - Height In a green setting, in absolute calm, atypical villa of 240m² on a wooded plot of 1700m² with a beautiful view of the sea. A real favorite. At the entrance, a suite which can be independent or guest bedroom, laundry room, workshop, cellar. On the first level a day area, living room, dining room, open American kitchen with cathedral ceiling followed by a master suite with plenty of storage space. Upper level, two bedrooms with mezzanine, office and small living room and a bathroom. Infinity pool, garage for two vehicles and numerous spaces. Very nice service for this villa.
